

# Spittin' Image

## Identical Twin Duo

**“Might be as unique and as fun filled a show as there is anywhere today...”**

**-The Cincinnati Inquirer**

### **Music, Memories & More**

For over 50 years, Blain and Brian Swabb, the identical twin duo, have entertained audiences across the country. 15 of those years owning and performing in their own nightclub restaurant, “My Brother’s Place”. With their constant touring, and almost daily performances, they are always perfecting and mastering their skills. Their longevity alone is a testament to their success and to the magnetism that draws their audiences to their show, 425+ shows each year.

Their longevity alone is a testament to their success and to the magnetism that draws their audiences to their show, 425+ shows each year.

Blain and Brian love to sing and play their instruments as much as they love to entertain an audience. Opening shows and sharing the stage with Neil McCoy, Josh Turner, Larry Gatlin & The Gatlin Brothers, The Casinos, David Allen Coe, Trace Adkins, Gary Allen, Faron Young, Margo Smith, Bill Anderson, Confederate Railroad, Lady Antebellum, among others, and featured on RFD TV several times.

They intertwine wonderful harmonies with excellent musicianship, and mix it all with comedy, audience participation, and a high-energy show.

Spittin' Image has the ability to spontaneously engage their audience to make EACH show a unique one...NEVER THE SAME SHOW, no matter how many times you see them! They'll take you on a happy trip down memory lane singing classic country, current country, and classic rock. If you catch a show, you will also likely hear Motown, Bluegrass, and Blues.

Spittin' Image are two of the most versatile, fun-loving, enthusiastic performers you will ever see. With extensive and outstanding musical skills and a terrific variety of fine-tuned comedy routines, Spittin' Image will surprise and delight your audience. With their "Twin Telepathy" they think and perform as one. Their vocal blend and harmony comes across as only siblings can produce.

After all, with return bookings from Ohio to Florida to Texas and Arizona, and all over the Midwest each year ... says it all!
